May 7: Join the Medical Freedom Rally in Albany, New York

Join Children's Health Defense, Autism Action Network, Teachers for Choice and other groups on May 7 at 10 a.m. ET in front of the Capitol building in Albany, New York, to ask legislators to enact laws that protect medical freedom.

BY MICHAEL KANE

May 7 we go back to Albany to fight for medical freedom!

NEW YORK: so far we have successfully stopped any attack on Medical Freedom from Albany politicians in 2024. Our Day of Action on Jan. 23 in Albany was successful.

Our action in front of Assemblywoman Karines Reyes' office in the Bronx was wildly successful!

But the most dangerous time of year for bad ideas to become bad laws in Albany is always in MAY.

We go back to Albany one last time to close out the session on May 7, to rally outside of the Capitol and meet with our lawmakers inside.

Please join us and spread the word!!!
